NEC Volunteer Sign Up: do it now!!! 😊

Parent Observation

Please observe the no street shoes rule inside the studio. You may take non-flash photos & videos but must follow our social media rules (in Parent Handbook) regarding sharing them. If you are bringing siblings with you, give them something quiet to do so they don't disrupt class.

AppleFest

The Flying Irish Dancers will be performing at Wachusett Mountain's Applefest on Saturday & Sunday, Oct 14 & 15. Shows will be at 2 & 3:30 pm each day. Stop by & cheer on the dancers! A link to the event can be found at www.flyingirish.com, on the Appearances page. This is where we list the information on all of our confirmed performances.

New England Championships

You can ask your child's instructor all about feiseanna (the Irish word for competitions) at Parent Observation night.

Our new beginners should order their green skorts ASAP as the company does not always have the color our dancers wear available later on in the year.

Please sign up to help us run this event!
